

Hidden Toxins

October 2025

Six audacious teenagers. Far too many secrets. A corrupt politician. Stalking. Murder... One thing's for sure – Cedar and Sorrel are in way too deep.

An addictive, hard-hitting YA thriller filled with poisonous twists, 'Hidden Toxins' will keep you hooked. Perfect for fans of, 'One of us is lying' and 'A good girl's guide to murder'.

The Publisher

Hawkwood Books has been operating since 2006.

We publish a range of genres in paperback with distinctive colour-coded covers. Some titles are also offered in electronic formats.

Though small, our standards are high and we print through a top class company.

Authors come from all walks of life with vastly different approaches to writing.

Hawkwood offers a way in to writers whose works may have been overlooked elsewhere.

Our books are occasionally bought by publishers with greater reach worldwide.

One of our books has been nominated for the Carnegie Medal and other positively reviewed in national media.

We distribute mainly through Gardners and our titles are available through all reputable outlets.
